### *Mozart School Fundraising*

Parents, Neighbors and Friends;

The little school on the hill in Roslindale is in need of a helping hand. The Mozart Elementary School is sending out this appeal in hopes of raising money to help our students in a variety of ways. Although we plan to have fundraising events throughout the year, it has become difficult for the Mozart Parent Council to fund all of the events, field trips, supply needs and programs such as art and music among other things, on our own. We are asking for your support and here are some ways that your contribution will make a world of difference:

- provide a raffle item for our Winter Festival in January
- help to fund the Art Program managed by the Elliot Art School Program
- help fund our "Making Music Matters" music program
- help with purchasing items for our pancake breakfast fundraiser this winter
- help purchase supplies for teachers and other school staff

There are many ways that your contribution will help our school accomplish the many goals we have set in place for our students and staff. We have created an online Fundraising page at <https://www.crowdrise.com/mozartelementaryschoolfundraiser/fundraiser/amycoe> for those who are interested in contributing online. For those who wish to send in checks by mail please send them to:
